Honorable David A. Stockman, Director
Office of Management and Budget
Washington, D.C. 20503

Dear Mr. Stockman:

In accordance with Office of Management and Budget Circular No. A-19, revised, I am submitting proposed legislation for your advice as to whether it is in accord with the program of the President. Enclosed are ten copies of a draft "Intelligence Authorization Act for Fiscal Year 1983." Also enclosed are draft letters of transmittal to the President of the Senate and to the Speaker of the House of Representatives.

The Fiscal Year 1983 Intelligence Authorization Act was identified as proposal number 97/2-4 in the proposed Central Intelligence Agency and Intelligence Community Legislative Program for the second session of the ninety-seventh Congress, which was forwarded to your Office on 15 November 1981 with the consolidated National Foreign Intelligence Program budget. The basic provisions of the draft Fiscal Year 1983 Intelligence Authorization Bill are substantively similar to those in the Fiscal Year 1982 Act (P.L. 97-89).

I would be most appreciative of your assistance in securing prompt clearance of this proposed legislation.

Sincerely,

/s/ William J. Casey

William J. Casey
